LEGACIES LIVE ON WITH HOOFPRINTS

They put wings under our feet, inspiration in our hearts and when they depart, they never leave our memories. As horse owners ourselves, Equine Guelph and Intercity Insurance understand what it is like to suffer the loss of a beloved equine friend. "Hoofprints was created to give grieving horse owners a positive means to cope with the devastating loss and a loving way to remember horses through sharing their stories with fellow horse lovers," says Equine Guelph director, Gayle Ecker.

The Hoofprints Tribute program provides an opportunity to pay respect to a horse or horse lover who has made a difference in the lives around them. A photo and story are posted on the Hoofprints webpage to share cherished memories. By dedicating an Equine Guelph donation in their name, their legacy will live on by contributing to longer, healthier lives for other horses.

Equine Guelph thanks Intercity insurance for sponsoring the Hoofprints Tribute Program and for supporting our education program in the role of Education Patron.
